

**STATE OF MAINE JUDICIAL BRANCH
PANDEMIC MANAGEMENT ORDER**

Order Issued July 21, 2020

**Emergency Rules from the Supreme Judicial Court
for Forcible Entry and Detainer (Eviction) Cases**

On March 13, 2020, the Supreme Judicial Court issued an Emergency Order suspending Forcible Entry and Detainer (“eviction”) cases. That Order was later modified by PMO-SJC-1 and again by the State of Maine Judicial Branch COVID-19 Phased Management Plan (the “Plan”) issued on May 27, 2020. The court has not scheduled or heard eviction cases since March 13, 2020.¹ The Plan provides that beginning in Phase 4 (August 3-September 4, 2020), the Court will lift the restriction on scheduling and hearing evictions.

To aid individuals and businesses harmed by the pandemic, the federal government enacted the Coronavirus Aid, Relief, and Economic Security Act (15 U.S.C. §§9057 & 9058) (the “CARES Act”). The CARES Act provides a temporary moratorium on eviction filings as well as other protections for tenants in certain rental properties with federal assistance or federally-related financing. Various other federal agencies and programs also issued moratoria on foreclosures and evictions for certain covered dwellings. Plaintiffs in Maine seeking to recover possession of property through eviction actions may be subject to the federal moratoria on evictions imposed through the CARES Act and by other federal agencies and programs. Actions subject to the federal moratoria include property considered to be “covered dwellings” or certain single-family and multi-family rental properties receiving or benefitting from federal assistance or federally-related financing.

All plaintiffs in eviction actions initiated between March 18, 2020 and August 31, 2020, or on further order of the court, must therefore verify that the property at issue in the eviction action is not a “covered dwelling” under the CARES Act or otherwise subject to federal agency moratoria and programs prohibiting evictions. If a plaintiff fails to submit verification that the property is not a “covered dwelling”, the eviction action may be dismissed, as the moratoria prohibit “initiation” of eviction actions.

Pursuant to the Plan’s preference for remote court proceedings, every eviction action will first be scheduled for an initial telephonic status conference before being referred to mediation, when appropriate, or being scheduled for a final hearing. Hearings will be scheduled held in person at the courthouse unless otherwise ordered by the court

¹ The Governor issued an Executive Order on April 16, 2020 (“Executive Order 40”), which prohibited the courts from issuing writs of possession in judgment for evictions issued prior to March 18, with certain exceptions. During Phases 1-3, the Plan only allowed certain requests for writs of possession as provided in Executive Order 40.

or agreed upon by the parties and the court during the telephonic conference, or upon the granting of a party's motion to participate remotely at the final hearing.

The following procedures shall apply to eviction actions, effective immediately, until August 31, 2020, or further order of the Court:

1. This Order does not supersede or circumvent the limitation on the issuance of Writs of Possession as set forth by Executive Order 40.
2. Every plaintiff who files an eviction action on or before August 31, 2020 must file a Forcible Entry and Detainer Cares Act or Federal Program Verification form (the "Verification form") along with the complaint certifying under oath that the property involved in the matter is not a "covered dwelling" or otherwise subject to federal or federally-related moratoria on evictions. Plaintiffs must use the Verification form attached to this Order as Appendix A.
3. For all eviction actions filed between March 18, 2020 and this Order's effective date, every plaintiff must supplement the already-filed complaint with a supporting affidavit certifying under oath that the property involved in the matter is not subject to federal or federally-related moratoria on evictions. Plaintiffs must use the Verification form attached to this Order as Appendix A.
4. All eviction actions will be scheduled for initial telephonic status conferences unless otherwise ordered by the trial court.
5. Plaintiffs must file the Verification form, if required, before the initial telephonic status conference. If any plaintiff fails to file the Verification form by the date of that conference, the trial court will dismiss the case, without prejudice.
